One Year of Luxury Wellness, Community, and Art

Dear REV Community.

Welcome back! We are thrilled to reconnect with you and share the exciting progress and milestones we've celebrated here at Rev Luxury Juice Bar and Road to Revitalize LLC. As we embrace the changing season, we are focusing on connection, wellness, and giving immense thanks for your support.

A Milestone Achieved: Cheers to Our First Year!

We are bursting with pride and gratitude to celebrate our One-Year Anniversary!

When CEO Shardaira Jones opened our doors, her vision was to create more than just a juice bar—it was to establish a hub that educated, exposed, and empowered our community through food as medicine. To every customer who has trusted us to fuel your body, to every neighbor who has supported our mission, and to every quest who has experienced the luxury of clean eats: Thank you. Your commitment to wellness is what makes this movement thrive.

Recap: The Excellence Exchange

We kicked off our anniversary celebrations with the Excellence Exchange, an event dedicated to recognizing the incredible people and partners who have supported our journey. It was a beautiful evening that exemplified the spirit of connection and high-vibration wellness that defines Rev.
